

Quick Reference

- A Member Login**, using your username and password, grants you access to all Raz-Plus Connected Classroom content.
- B The Resource Menu** is the heart of Raz-Plus Connected Classroom. Here you will find resources that provide opportunities for personalized, student-centered learning.
- C Use the Search Bar** to quickly find a resource to address a specific topic, skill, or interest.
- D Manage Students** is the starting point for accessing your student roster, reports, and assignments. This is also where you go to score student activities in your In Basket.

The **Instructional Support** section, located at the bottom of every page, offers helpful information on getting started, instructional tools, reading level correlations, professional learning, and more.
